*Fees are per exam paper, not per subject.

There are three possible outcomes to an enquiry about result;

- The original mark is confirmed as correct so there is no change to the grade
- The original mark is raised, so the final grade may be higher than the original grade awarded
- The original mark is lowered, so the final grade may be lower than the original grade awarded.

Every year a number of students have papers checked/reviewed which result in their grade being lowered. We recommend that only students who are very close to a higher grade boundary request an enquiry about result.
